Call Harvey on
0800 328 9435

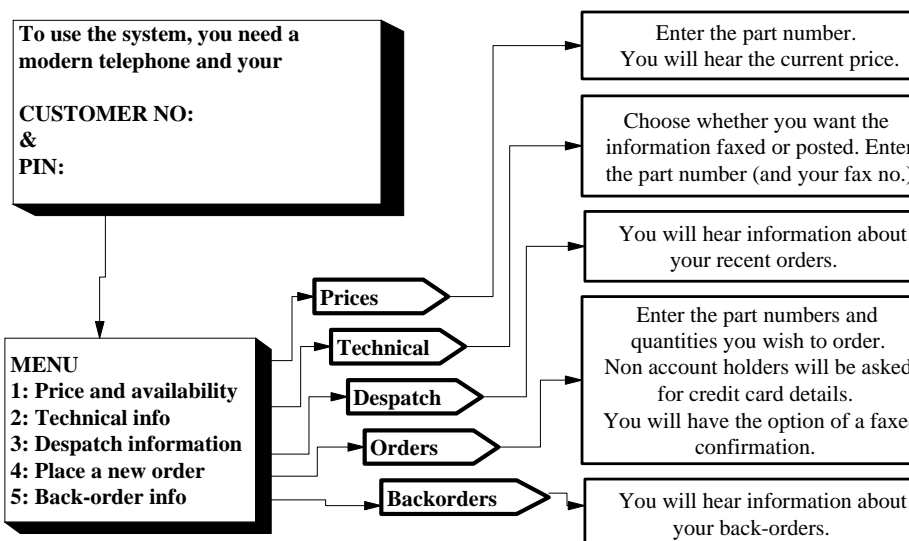

All backed up by our huge range of products, massive stocks and competitive prices.

HOW DO I USE IT?

Using your telephone keypad, simply dial 0800 328 9435 and select from the menu of options you will hear.

You will need to identify yourself by keying in your customer number (not your old delivery point code) and your secret pin. If you don't know these, please call 01273 421321 during working hours.

Using your phone keypad, simply key in the part numbers or answers to the prompts. You'll find the system easy to use, and extremely friendly. If you have any problems, our trained staff are on hand to help you during the working day.

Tips:

Hash is the '#' key under the 9.

Be prepared. Write down all the information you will need before you call.

Use a tone telephone. If you hear tones when you dial (not clicks) then you have a tone phone. Many telephones have a small switch on the side to select DTMF tone dialling. A pulse telephone will not operate the system.

Write down the confirmation number. You will hear this when the order has been accepted.

*Call before 3pm on weekdays for same day despatch. **Free postage only applies to UK orders, and not to heavy or bulky items such as books, fluids, domes etc. or very low value orders. Cannot be used in addition to other special discounts.
