BAROMETER TUBE FILLING KIT

Price per unit in £ on 13/06/2014

	BAROMETER TUBE FILLING KIT With this simple kit you can drain, clean, rinse and refill old tubes and ofcourse fill out new tubes with mercury. This kit includes a syringe and fine tubing that will go around the U bend of most tubes, (even below 1mm bore). Supplied with detailed and illustrated instructions. Cleaning fluid, mercury, etc. are not included.	0796 000115	1+ Pack of 1	£16.47 £16.47
	BAROMETER FILLING KIT REPLACEMENT TUBE Replacement fine tubing for part number 0796 000115	0796 000215	1+	£10.74

BAROMETER TUBE CLEANER 125ml

Price per unit in £ on 13/06/2014

	BAROMETER TUBE CLEANER 125ml If you plan to use our kit to drain, clean and refill an old tube, you will need this concentrate to remove as many of the stains as possible. Dilute with 5 parts of warm water. You will need our filling kit to insert the cleaner and to rinse and dry the tube.	0799 012515	1+	£5.83
---	--	--------------------	----	--------------

BAROMETER TUBES

Price per unit in £ on 13/06/2014

	UNFILLED WHEEL BAROMETER TUBE Complete with guidetube, float and counterweight. Other sizes of tube can be made to order; please enquire. Please note: This item exceeds the maximum acceptable length for overseas postage and is therefore more expensive to send. This will be reflected in the international postage fee. Pyrex wheel tubes complete with float, counter-balance and guide tube. Pyrex is used to avoid the mercury staining that occurs on soda glass. The tubes are very high quality, and the float is an accurate fit. This reduces the evaporation of toxic mercury vapour to minimal levels, and also ensures that small changes in pressure register. 3mm capillary. 33 1/2" overall length. Mercury capacity 160g. Top chamber 80mm long. 13mm o/d. U section 140mm high with a tight bend to keep overall width to a minimum. Supplied unfilled.	0780 000115	1+ 2+	£38.46 £34.61
	FLOAT, COUNTERWEIGHT AND GUIDE TUBE SET Glass tube with hooked float and counterweight. Designed to fit our tube but normally universal. Tube 150mm long. 10mm o/d. 8mm i/d. Float & weight 7mm o/d. Float 75mm long. Counterweight 45mm. Suitable for most wheel barometers.	0780 000215	1+	£9.23

14. Barometer Parts

WHEEL TUBE PLUG

Price per unit in £ on 13/06/2014

	WHEEL TUBE PLUG Insert this plug into the capillary when the tube has been filled with mercury. It will protect the tube by stopping the vacuum until you are ready to fit the float etc. Mercury will still pass the plug if you wave it about or allow the mercury to expand through heat.	0910 000115	1+	£3.67

SEMI-HARD BRASS WIRE

Price per unit in £ on 13/06/2014

	SEMI-HARD BRASS WIRE For return springs on American movements and for retaining glass barometer wheel tubes in place. 3 metre length. 0.4mm.	0240 000315	1+	£1.38
			3+	£1.24

MERCURY

Price per unit in £ on 13/06/2014

	MERCURY 175g Due to restrictions, the sale of mercury will be conditional upon the completion of our <i>Sale of Mercury</i> form. The form is available for reference and completion in our technical help pages Here Distilled Mercury to BS 4227, packed in 175g plastic bottles. Mercury is toxic, and the vapour is particularly dangerous. If you are uncertain about its use, we suggest you find someone to handle it for you. Be sure to have sulphur and calcium hydroxide available in case of spillage. Please do not wait for a spillage and then order the powders in panic! The Royal Mail will not accept a package containing mercury. We have to use a specialist carrier to deliver this to your door. We cannot send mercury outside UK, as it is a prohibited substance under Civil Aviation Authority rules.	0979 017515	1+	£42.34

MERCURY SPILLAGE POWDERS

Price per unit in £ on 13/06/2014

	MERCURY SPILLAGE POWDERS In the event of minor spillages of mercury, recover as much as possible. Treat any contaminated areas with a dry mixture of 1:1 sulphur/calcium hydroxide. Sold in packs of 250g of each, making a 500g pack.	0798 050015	1+	£7.53

	BAROGRAPH INK Special slow-evaporating ink for chart recorders such as barographs. Red.	0982 000118	1+	£4.77
			2+	£4.29

BAROGRAPH CHARTS

Sold in packs of 50 charts.

Printed on special paper to reduce ink spreading. Charts are normally retained by a clip or the ends are gummed. Universal charts can be used by either method, and where the ends are gummed, simply place one end over the the other and apply a touch of glue. Apply the minimum possible, to make the chart easy to remove at the end of the week. Charts start on Sundays or Mondays. Sunday start is normally useful in domestic situations. Changing the charts on Mondays is often more convenient in commercial applications. Inch or millibar calibration is a matter of personal choice.
